"TEMPERANCE PLEBISCITE ACT."

HIS HONOUR the Lieutenant-Governor in Council has been pleased to appoint the undermentioned persons to act as Returning Officers in the Electoral Districts set opposite their names for the purpose of taking the vote under the provisions of the above-mentioned Act:—

Electoral District. Returning Officer.

Kaslo Joseph Walter Bell.
Vancouver City C. L. Merritt.

PROVINCIAL SECRETARY.

"TEMPERANCE PLEBISCITE ACT."

HIS HONOUR the Lieutenant-Governor in Council has been pleased to approve the following regulations:—

REGULATIONS PURSUANT TO THE PROVISIONS OF THE "TEMPERANCE PLEBISCITE ACT."

1. The Lieutenant-Governor in Council may appoint for each electoral district a person nominated by the People's Prohibition Association of British Columbia to act as agent on behalf of those desirous of obtaining answers to the question submitted expressing a preference for the present "Prohibition Act," and another person nominated by the Moderation League or by the Liberty League of British Columbia to act as agent on behalf of those desirous of obtaining answers to the question submitted expressing a preference for "An Act to provide for Government Control and Sale in Sealed Packages of Spirituous and Malt Liquors"; but no agent so appointed shall be entitled to any remuneration from the Provincial Treasury.

2. Each agent may, by writing, appoint a sufficient number of persons to act as scrutineers so that there may be one scrutineer in attendance at each polling-booth in the electoral district, during the voting and counting of the ballots, to represent the interest on behalf of which the agent is acting. At the voting and counting of the ballots in the polling-booth at which he is in attendance each scrutineer may act as agent on behalf of the interest which he is appointed to represent; and the Presiding Officer in charge of the polling-booth shall accord the scrutineers the same privileges as are accorded the agents of the candidates at Pro-

vincial elections. Before being admitted to the polling-booth each scrutineer shall produce his written appointment to the Presiding Officer.

3. Each agent and such of the scrutineers as he may designate, not exceeding two in number, may attend at the final count conducted by the Returning Officer of the electoral district; and the Returning Officer shall accord to the respective agents, and to the scrutineers so designated by them, the same privileges as are accorded to the agents of the candidates at Provincial elections.

4. For the purpose of the adapting to the "Temperance Plebiscite Act" of the provisions of the "Provincial Elections Act," the following regulations shall apply:—

(a.) The ballot-paper furnished by the Presiding Officer to an absentee voter shall in all cases be one of the printed ballot-papers, prepared pursuant to the "Temperance Plebiscite Act," and forwarded by the Provincial Secretary to the Returning Officer:

(b.) The provisions of section 108 of the "Provincial Elections Act" shall apply *mutatis mutandis* to the scrutiny to be conducted by the Presiding Officer under section 13 of the "Temperance Plebiscite Act":

(c.) The time fixed by the Returning Officer for beginning the making of the final count shall be not less than eight days after the day on which the poll is held, instead of the period of twenty-one days provided in the case of general elections:

(d.) In the event of any registered envelopes or parcels enclosing envelopes containing absent voters' ballots being received by the Returning Officer too late for examination at the time of the final count, they shall be forthwith transmitted by him to the Provincial Secretary. If, from the number of absent voters' ballots so transmitted and the state of the vote as shown by the statements of the Returning Officers endorsed on the writs transmitted by them to the Provincial Secretary, the Provincial Secretary finds that the counting of those ballots is material or necessary to the determining of the preponderance of votes cast on the question submitted, he shall make arrangements for the counting of the absent voters' ballots so transmitted. The provisions of the "Provincial Elections Act" respecting the counting of absent voters' ballots by the Returning Officer at the final count, including notice to agents and comparison of signatures, shall *mutatis mutandis* apply to any count conducted by the Provincial Secretary pursuant to this regulation. After the completion of the count, the Provincial Secretary shall prepare and publish in the Gazette a statement of the result of the count:

(e.) The Provincial Secretary may make such alterations in the several forms contained in the "Provincial Elections Act" as are found necessary in order to adapt them for use under the "Temperance Plebiscite Act":

(f.) The day fixed by Proclamation for taking the vote under the "Temperance Plebiscite Act" shall be deemed to be a "polling-day" within the meaning of section 190 of the "Provincial Elections Act," and shall be a public holiday in each electoral district throughout the Province.

WHEREAS in pursuance of the "Nelson & Fort Sheppard Railway Subsidy Act, 1892," being Chapter 38 of the Statutes of 1892, a Crown grant numbered 745/85, dated the 23rd July, 1897, and a Crown grant numbered 746/85, dated the 23rd July, 1897, were issued to the Nelson & Fort Sheppard Railway Company, covering Lot 1236, Group 1, Kootenay District, and Lot 1237, Group 1, Kootenay District, respectively, and by the following general words excepting thereout all lands which, prior to the 23rd March, 1893, were alienated by the Crown or held by pre-emption, uncompleted sale or lease, or as mineral claims.

And whereas, owing to the general exception, doubt exists as to what lands passed to the Nelson & Fort Sheppard Railway Company under the aforesaid Crown grants.

Now, therefore, public notice is hereby given that by the "Nelson & Fort Sheppard Railway Lands Definition Act," being Chapter 62, "Statutes of British Columbia, 1918," provision is made for the confirmation of plans of townships, district lots or portions of land whereof Crown grants have been issued to the Nelson & Fort Sheppard Railway Company, purporting to have been issued in pursuance of the said Nelson & Fort Sheppard Railway Subsidy Act, 1892, for the purpose of defining the said lands.

And further take notice that, in pursuance of section 10 of the said "Nelson & Fort Sheppard Railway Lands Definition Act," there have been deposited in the Land Registry Office, at Nelson, two maps numbered 1389 and 1396, which purport to define lots 1236 and 1237, Group 1, Kootenay District, respectively, and copies of the same have been lodged with the Surveyor-General at Victoria, with whom there have also been lodged the field-notes and plans and other data, from which said maps were prepared.

And further take notice that any person alleging any claim founded upon the exceptions appearing in the said Crown grants in the lands, or any part thereof, shown on the said maps as having passed

to the Nelson & Fort Sheppard Railway Company, or who claims that such lands are not shown correctly in their true location on the said maps, may, within three months from the publication of this notice, file his claim in writing with the Attorney-General at Victoria; and all parties alleging any claims as aforesaid are hereby called upon to file their claims accordingly.

And further take notice that at the expiration of the said period of three months, if any claims are filed, the undersigned will appoint a Commissioner to investigate and adjudicate such claims, of which appointment, and the time and place of sitting of such Commissioner, notice will be published in the British Columbia Gazette and in the "Nelson Daily News."

And further take notice that all claims founded upon the exceptions appearing in the said Crown grants which have not been so filed, will be barred.

PROCLAMATIONS.

L. H. DAVIES,
Deputy Governor-General.

[L.S.]

CANADA:

GEORGE THE FIFTH, by the Grace of God, of the United Kingdom of Great Britain and Ireland, and of the British Dominions beyond the Seas, KING, Defender of the Faith, Emperor of India.

To all to whom these presents shall come or whom the same may in any wise concern—GREETING.

A PROCLAMATION.

E. L. NEWCOMBE, *Deputy Minister of Justice, Canada.* { WHEREAS it is authoritatively stated that during the past decade in Canada more than 2,600 persons have lost their lives, and property valued at approximately \$200,000,000 has been destroyed by fire, and that the annual loss from this cause continues practically unabated:

And whereas, in addition to this waste of human life and created resources, forest fires annually destroy merchantable timber worth many millions of dollars and immature forest-growth of inestimable potential value, thus adversely affecting one of Canada's most important branches of industry, depleting our natural heritage of forest wealth and impoverishing, if not entirely destroying, the future productiveness of large forest areas:

And whereas the waste thus occasioned, represented in terms of human life, money, labour, time, and natural resources, cannot be re-created, but is an absolute and irrevocable loss largely distributed over the entire population through the agency of fire insurance, which imposes an inescapable and burdensome tax upon industry and thrift and substantially adds to the cost of living:

And whereas it is shown by reliable statistics that at least seventy-five per cent. of the fires which occur originate either directly or indirectly through inexcusable ignorance and neglect and are therefore preventable, and that the exercise of reasonable prudence and proper carefulness on the part of responsible individuals would reduce losses by fire in Canada to the comparatively insignificant proportions of losses in other countries:

And whereas economic and humanitarian considerations imperatively demanding that human life and material resources in Canada be so far as possible conserved in order that the national prosperity may be maintained amidst world-wide competitive conditions, and that the general welfare of the people may be measurably increased:

And whereas it is desirable that the attention of the public be directed to the extent and underlying causes of the preventable loss of life and property by fire, and to the best and most practicable means for its control, and that one day of the year be set

apart and properly designated for the dissemination of such information:

Now KNOW YE that We, by and with the advice of Our Privy Council of Canada, have thought fit to appoint and do appoint Saturday, the ninth day of October in this present year, as "Fire Prevention Day," and we do recommend to all Our loving subjects that, on that day or upon the day preceding, as may be found most practicable:

1. All dwellings and their surroundings be carefully inspected by their occupants and all conditions likely to cause or promote the spread of fires removed.

2. All public buildings, stores, warehouses, and factories be inspected and cleared of rubbish in order to reduce fire hazards and maintain health and safety.

3. All hotels, theatres, asylums, hospitals, and other institutional buildings be inspected and provision made for all changes necessary to protect the occupants from danger in the event of fire.

4. Fire drills be held for the children in all schools, for the inmates of all institutions, and for the employees in all large stores and factories in order that a greater degree of safety may be ensured by acquainting the occupants with the best and most expeditious mode of exit in time of danger.

5. Special instruction on the subject of fire-prevention be given by the teachers and by municipal officials in the schools, and that such appropriate literature as may be made available be distributed to the pupils.

6. Boy Scout leaders give instructions to the troops under their control as to the best means of co-operating with municipal fire departments in the prevention and extinguishment of fires, and especially as to the desirability of qualifying for the fireman's badge.

7. Operators of lumber camps, settlers, campers, hunters, and others who may from time to time enter Our national parks and forest areas acquaint themselves with all laws, regulations, and precautionary rules devised and established for the safeguarding of the woods against fire.

8. All legislation and regulations enacted or issued by Dominion, Provincial, or municipal authorities dealing with fire-prevention be given publicity by the municipal officials, and that by public meetings or otherwise as may to them seem most fit, they endeavour to impress upon the citizens the national importance of safeguarding life and property from loss by fire.

Of all which Our loving subjects and all others whom these presents may concern are hereby required to take notice, and govern themselves accordingly.

IN TESTIMONY WHEREOF, We have caused these Our Letters to be made Patent, and the Great Seal of Canada to be hereunto affixed.

WITNESS: Our Right Trusty and Well-beloved Counsellor, the Right Honourable Sir Louis Henry Davies, one of Our Most Honourable Privy Council, Knight Commander of Our Most Distinguished Order of Saint Michael and Saint George, Chief Justice of Canada, and Deputy of Our Right Trusty and Right Entirely Beloved Cousin and Counsellor, Victor Christian William, Duke of Devonshire, Marquess of Hartington, Earl of Devonshire, Earl of Burlington, Baron Cavendish of Hardwicke, Baron Cavendish of Keighley, Knight of Our Most Noble Order of the Garter; One of Our Most Honourable Privy Council; Knight Grand Cross of Our Most Distinguished Order of Saint Michael and Saint George; Knight Grand Cross of Our Royal Victorian Order; Governor-General and Commander-in-Chief of Our Dominion of Canada.

VICTORIA CITY, 1920.

TAX SALE of improved and unimproved city property will be held on Tuesday, October 5th, 1920, at 10 a.m., in the Council Chambers, City Hall.

At the above time I will proceed to sell by public auction all real properties in arrears for 1916 and previous years, together with all properties in default on which taxes are being paid on the instalment plan.

In order to prevent real property from being sold, it will be necessary before that date to pay:—

Class "A."—Those who are paying arrears on the ten yearly payment plan must have paid each instalment due, including that falling due on the 15th September of the present year, together with interest at 6 per cent.; and all taxes, general and local improvement, for the years 1918 and 1919.

Class "B."—Those who owe arrears of taxes, either general or local improvement, for the year 1916 or any previous year must pay in either of the following ways:—

1. All arrears to the end of 1916 and interest at 8 per cent.

2. Or all arrears to 31st December, 1919, in full, in which case 10 per cent. of all general taxes will be deducted, and the interest on same will be cut in half.

3. Or 10 per cent. will be deducted from the general taxes and accrued interest thereon if one-tenth of the remainder, together with interest at 6 per cent. from the 1st January last is paid. Nine years will then be given to pay the balance (one-tenth each year). Interest on these payments will be charged at 5 per cent. instead of 8 per cent.

Tax notices for 1920, showing all payments in arrears, due and accruing due, have been sent out according to law.

Bring your tax notice to me at once and get statement of exact amount you will require to pay under your choice of the above settlement plans.

Investors and others may secure lists of properties liable to be sold at this tax sale at my office any time after September 17th, 1920.

Important.—Owners not liable to have their properties sold in this 1920 tax sale, but who owe arrears for 1919 only, or any previous year or years, may settle on either of the last two plans. These are money saving settlement plans and will avoid danger of next year's tax sale, but must be taken advantage of before October 5th. On October 4th these options cease.

To the Investor: The upset price includes all taxes to end of 1920. Indefeasible title given free after one year from sale if not redeemed. If redeemed, 8 per cent. given to purchaser on amount paid.
